

WI-FI AND CONNECTIVITY

iBuses

Eighty school buses with wifi connectivity will be deployed this week around the community to support connectivity. Students will have access to the username and password to use the bus as a mobile hotspot. The range of connectivity for each bus is the size of a football field. Students in the selected communities should be able to stay in their homes and connect to buses in the communities below.

Buses will be at each location from **7:45-4:45, Monday through Friday**

Login Information

- The Wireless SSID is: **CCSBus**
- The Password to connect is: **ccsbus2020**
